

XIV Summer Colloquium on Plant Ecophysiology

Parque Katalapi, Pichiquillaie, Chile

January 20-23, 2019

General information for participants:

1. **Language:** Presentations are in English
2. **Presentations time:** a) Short communications: 10 min and 5 for discussion; Mini-lectures: 20 min and 10 for discussion; Full Lectures: 30 min and 15 for discussion. If you need less or more time, please consult the organizers.
3. The full program will be sent to participants by December 15.
4. **Submissions:** Scientists interests in presenting short communications should send the title and authors (without abstract) before December 15 to lubascun@udec.cl +56 9 88299717
5. **Registration costs:** This registration will cover food and lodging from dinner on January 20 until lunch on January 23. Professors will pay \$120.000 (Chilean pesos); students \$120.000 (Chilean pesos). Those arriving earlier than January 20 or stay in Katalapi after January 23 should pay \$30.000 (pesos) per additional day. Lodging at Atma-Bosque, near Katalapi will have an extra charge.
6. **Lodging:** Participants will be assigned to shared dormitories within the park. Unless indicated otherwise, all participants should bring sleeping bags.
7. **Financial aid for students:** a limited number of fellowships will be available for students to attend the meeting. Students can apply to “Beca Amigos de Katalapi”. This consists in a partial help of \$50.000 pesos to pay registration. Applications for the fellowship should be done at the same time of submitting the title of the short presentation, with a letter justifying the application.
8. **Payment of the registration fee:** Payment should be made by December 15 by direct payment or bank transfer to: Luis Corcuera, Rut 5170015-5, account 160-13571-00, Banco de Chile.
9. Please send a copy of your deposit to luis.corcuera@parquekatalapi.cl . International participants may pay during the first day of the Colloquium. Luis Corcuera (Office phone 41-2203586/mobile +569 9249 0228).
