

Six Days in the Patagonian Rainforest **Sunday, 12th March - Saturday, 18th March**

Medical Evacuation Plan

Comprehensive health insurance coverage is required for all visitors to the park and health insurance information should be provided at the time of booking.

Katalapi Park is located 18,5 kilometers from the city of Puerto Montt's city center, under 1 kilometer from a major road. During the program, at least one instructor will be certified in First Aid.

In case of an emergency that requires medical evacuation from the Park, Fundación Parque Katalapi will arrange for a private ambulance that would arrive within approximately 40 minutes. There is also 1 private vehicle available 24/7 to transport directly to the hospital from the Park.

During the excursion to the Osorno Volcano, a backup vehicle will be available at all times to transport to the hospital in case of need.

Plan de evacuación médica

Se requiere contar con seguro médico comprensivo para entrar al Parque Katalapi. Esta información debe ser entregada al momento de reservar.

Parque Katalapi se ubica a 18,5 kilómetros de la ciudad de Puerto Montt, a menos de 1 kilómetro de una carretera. Durante el programa, al menos un/a instructor/a será certificado en Primeros Auxilios.

En case de una emergencia que requiere evacuación médica del Parque, Fundación Parque Katalapi gestionará un servicio privado de ambulancia que llegaría dentro de aproximadamente 40 minutos. También hay 1 vehículo privado disponible 24/7 para transportar directamente al hospital desde el Parque.

Durante la excursion al Volcán Osorno, un vehículo de respaldo estará disponible en todo momento para transportar al hospital en caso que sea necesario.
